DIGITAL APPRENTICESHIP

DIPLOMA FOR DIGITAL LEARNING PRACTITIONERS

Digital Learning is an ever evolving specialism which continually challenges the 'typical' approach to learning and development, through the delivery of high quality staff professional development.

As an accredited Digital Learning Practitioner, you will develop the skills, knowledge, and competence to ensure your audience can engage with a range of accessible and innovative digital learning experiences. The knowledge and skills you acquire will enhance your delivery and afford you with a 'digital toolkit' to provide outstanding learning experiences for your learners.

LEVEL 3   **15 MONTHS**   **ANY COMPUTER OR TABLET**

Our qualifications are delivered in partnership with **Educ8 Training Group**.

WHO IS IT FOR?

The qualification is aimed at a range of learners who wish to improve their digital learning design skills, for example:

- learners who are employed in learning and development, such as development managers, human resources officers, learning and development trainers.

LEARNING EXPERIENCE

Our courses are designed to provide an innovative route to apprenticeship completion with collaborative learning being central to your experience. Here is just some of the support you can expect:

- **A2B Hub** - our online learning platform is a central hub for you to access information on your learning journey.

- **Aspire360** - exclusive access to our on-demand digital skills development platform offers a wide range of self-paced courses, to support your qualification.

- **In the workplace** - one to one virtual and face to face support sessions, specific to you and your working context.

- **Assessment** - not your typical assignments, we help you to develop innovative ways of showcasing your learning.

AFTER YOU'VE COMPLETED THE COURSE

Following completion of the course, you will have achieved:

- Agored Cymru Level 3 Diploma for Digital Learning Practitioners
- Level 2 Essential Application of Number Skills
- Level 2 Essential Communication Skills
- Level 3 Essential Digital Literacy Skills

You will receive a certificate as proof of your newly gained qualification and will be invited to attend Educ8's Gradu8 ceremony, where you will get the chance to celebrate your fantastic achievement!

QUALIFICATION OVERVIEW

To complete the apprenticeship framework you will need to achieve 49 credits in total. Credits are achieved in the following combination:

Mandatory units - 28 credits

Optional units - 21 credits

Essential Skills Wales, Communication

Essential Skills Wales, Application of Number

Essential Skills Wales, Digital Literacy

ESSENTIAL SKILLS

Welsh Government is committed to raising the levels of Essential Skills across Wales. Communication, Digital Literacy and Application of Number qualifications are an integral element to the funded apprenticeship frameworks.

These are usually delivered through workshops at one of our centres and will be planned well in advance. If you have completed Essential Skills previously or are able to provide suitable evidence such as GCSE certificates or similar, you may be exempt from completing this element of the qualification.
